

EXPRESSION OF INTEREST

Service Contract for technical consultancy for electric substations design.

1. Procedure

Simplified procedure. Based on the applications received, eligible candidates will be invited to submit detailed tenders for this contract.

2. Programme title

Enhancing The Business Environment for The Micro, Small and Medium Palestinian Enterprises – AID 11399

3. Financing

BL 5.1 Technical Assistance for technical specifications for bidding of electrical substations in the north West Bank.

4. Contracting Authority

Italian Agency for Development Cooperation (AICS) - Jerusalem Office

5. Nature of the Contract

Global price

6. Contract description and objective of the service

The Service contract is for a technical consultancy for the preparation of full detailed design and bid documents for construction of 33/22 kV substation in the north of the West Bank. The consultancy will include the definition of bidding documents for the 33/22 kV substation that shall include the materials supply, the civil works for the substation, the substation design, procurement and installation, commissioning, and testing. The consultant shall prepare detailed substation design and specify the necessary substation equipment. The consultant needs to assess the possibility for procurement of materials and services from the Italian market and shall define commercial requirements and lot splitting accordingly. The consultancy will also include the supervision of the bidding procedure according to the latest version of the PRAG procedures from the European Union.

7. Indicative budget

Up to 30.000 EUROS.

8. Intended timing of invitation to tenders

October 2022

9. Additional information

Participation in tendering is open on equal terms to International Organizations, Civil Society Organizations and Companies registered in Palestine that have worked on a domain related to the scope of contract in Palestine in the last two years.

10. Compulsory documents to be supplied by the applicants:

- Fill in the Annex 1
- General information about the applicant;
- A presentation of the tenderer's organization, including the total number of the staff employed;
- A list of the staff proposed for execution of the contract, with the CVs of key staff;
- Evidence of relevant experience in carrying out contracts of a similar nature, including the nature and value of the contracts, works in hand and contractually committed.

11. Deadline for receipt of applications and relevant criteria

The deadline for the submission of application is 23 September 2022.

Applications must be sent to AICS Jerusalem, by sending an email, attaching the application documents in PDF format to gerusalemme@aics.gov.it

12. Legal basis

Regulation (EU) N 236/2014 of the European Parliament and of the Council of 11th March 2014 laying down common rules and procedures for the implementation of the European Union's instruments for financing external action.

Jerusalem, 22nd August 2022

Team Leader Economic Development Sector
Mohammad Musleh
